

Pedal Away and Wheels for All

Sessional Ride Leaders & Support staff

Cycling Projects delivers two effective community cycling initiatives – Pedal Away and Wheels for All across a number of regions in the country.

Pedal Away focuses on encouraging and supporting people to be active through the opportunity to participate in a network of regular cycle rides for all abilities within their local communities.

Wheels for All is an inclusive cycling programme using a range of adapted cycles to engage and inspire individuals to get active in settings and surroundings that are enjoyable and pleasant for all.

Cycling Projects is currently recruiting a number of sessional workers who will support the Pedal Away and Wheels for All projects.

We are looking for energetic, committed and dedicated people with an eagerness to engage with a broad range of the community and bring cycling into the lives of many people.

Our rides and activities take place throughout the week and at weekends. We would like to recruit individuals to support programmes in –
Merseyside, Lancashire, Greater Manchester and Cheshire.

Full training will be provided so that you are comfortable and confident in supporting delivery of both Pedal Away and Wheels for All schemes. Hours can vary based on the region and on your availability

If you want to find out more about the above opportunities and to receive an application pack, please contact Ian Tierney on 01925 234213 or email ian.tierney@cycling.org.uk.

Closing date for applications is **Friday 10th March** and successful candidates will be offered an interview week commencing **20th March**.
