## ***Help us scale our organisation***

### **We are recruiting a number of voluntary positions to join our Board of Trustees**

Celebrating our 30th year, we are an expanding national cycling charity which promotes inclusive cycling through a range of successful community engagement programmes that give people the opportunity to cycle on a regular basis; through help, support and guidance.

We do this through the provision of over 50 'Wheels for All' cycling hubs which provide safe access to adapted cycles as well as trained support alongside the Pedal Away programme enabling people to ride on two wheels regardless of age, ability or experience.

Our ambition is to both increase the number of adapted cycle and Pedal Away programmes across the UK whilst refining our service offering to those hubs, extending their reach in to different communities and improving their sustainability.

We are seeking candidates who are experienced and willing to take a hands-on approach to fill three Board positions in the areas of:

1. Treasurer, ACA qualified preferably with Governance/Legal knowledge of Charities
2. Safeguarding, preferably with knowledge of HR, Equality and Diversity
3. Volunteering or who currently uses our services or similar

As a Trustee you will:

- Receive induction, training and reimbursable expenses
- Have the opportunity to drive the scaling of our charity
- Develop new skills and networks
- Improve the health and wellbeing of people and communities

The expected time commitment is 8 evening Board meetings a year either in person in Warrington, Cheshire or via a media link, and some additional hours per month on special projects in line with your skills.

An application form can be downloaded from the Cycling Projects [website \(link to add\)](#) along with:
