

Sheffield City Region Wheels for All Co-ordinator

From September 2021 to March 2022 *Initially a 6 month post (the possibility of an extension dependent of funding)*

28 hours a week / FTE of £20000

The Sheffield City Region is leading the way in promoting active travel and creating opportunities for disabled people to be active. The aim is to ensure the Sheffield City Region's inclusive active travel provision creates connected and accessible routes and ultimately widens everyone's choice to be active on their terms.

In partnership with Sheffield City Region Combined Authority, Cycling Projects is pleased to announce a programme of work that will support existing inclusive cycling providers, as well as supporting the development of new provision across Sheffield, Rotherham, Doncaster and Barnsley to bring cycling to many people regardless of their ability. This is a very exciting opportunity to build on the exiting momentum across the region for cycling by continuing to develop a variety of inclusive cycling packages offer those who are currently at most need of being active.

As the Sheffield City Region Wheels for All Co-ordinator you will be responsible for the delivery of the inclusive cycling sessions, managing a growing network of partners and recruiting and retaining volunteers to support the programme across the region.

You will be a highly motivated individual with experience of working across a broad section of partners. You will ideally have experience of managing community projects and working with disabled and inactive people. We want you to create a solid movement of inclusive cycling activities across the Sheffield City Region, leading to a cycling culture with disability partners across the region.

Closing Date for applications will be **1st September 2021 and interviews will be held week commencing 6th September 2021**. To apply, please request an application pack and return the application form along with your covering letter & email to

georgina.armstrong@cycling.org.uk
